Poured out for love

INTRO
VERSE
PRE-CHORUS
CHORUS

BRIDGE
Bm7 A G
If the blood of a lamb on a doorpost
Covered Israel
How much more will the blood of the Son
Cover us

CHORUS

INSTRUMENTAL: G  A

OUTRO:
D
The crown of thorns that pierced your skin
A/C#
The heavy nails the guards drove in
G2
The sins You took that were our own
Asus A
The thief that You have welcomed home

The angry crowd, their scornful words
The way You silently endured
The finished work, the curtain torn
The chance for us to be reborn

Because of the price that You have paid
The greatest price that could be paid

We'll take this cup and bread
And we will not forget

INTRO

We'll remember
