

God With Us

Summerlyn Sharpe and Jamie Wolf

© 2008

VERSE 1:

E **B/D#**
Prophecies from days of old were fulfilled in Him alone
C#m7 **A B C#m B/D#**
He stepped down from His throne, and came to save us

VERSE 2:

God became flesh in the Son, fullness of the Holy One
He was despised and shunned, all to save us

CHORUS:

E **E/D#**
What kind of King would come to die
E/C# **A2** **E E/D# E/C# A2**
But the mighty Lord of love who reigns on high, Emmanuel
What kind of man could conquer death
But the One who came with power to rise again, Emmanuel
God with us, God with us

VERSE 3:

True Light, He lived to shine radiance of the divine
He offered up His life, and died to save us

VERSE 4:

Worthy lamb for sin was slain, Mighty God is His name
Forever we will praise the One who saved us

BRIDGE:

Badd2 **Aadd2**
He healed the sick and served the poor
F#m7
Spoke the truth and nothing more
Bsus
Like no one who came before
He was a teacher and a friend
He walked this life and never sinned
And His kingdom has no end

OUTRO:

A/B E E/D# E/C#
Je—sus,
A2 E E/D# E/C#
God with us
Jesus
God with us
