

SO MUCH MORE

© 2010 Pete Buchwald & Jamie Wolf

VERSE 1

F#m **D**
I made You small enough to fit into a box
Eadd4 **D** **E E**
a God that I could hold and understand
F#m **D**
I want to learn this time to let You be divine
Eadd4 **D**
and not a god that's formed by my own hand

CHORUS

A
You are more glorious
D
and more miraculous
F#m **Eadd4** **D**
You're so much more than what I once believed
A
How astonishing
D
That when I stand before my King
F#m **Eadd** **D** **A D (bm to bridge)**
I'll find that You are infinitely more...So much more to me

VERSE 2

F#m **D**
I don't deny it's true I try to capture You
Eadd4 **D** **E**
And time and time again I drift so far
F#m **D**
You take me by surprise Your presence leaves me blind
Eadd4 **D**
I'm on my knees in awe of who You are

CHORUS

BRIDGE

Bm **A/C#**
I underestimate Your love
D
I underestimate Your grace
Eadd4
I cannot wait to see your glory on that day
D **E**
I underestimate Your love
D/F#
I underestimate Your grace
E/G#
I cannot wait to see your glory on that day

CHORUS (2x)

ENDING: **A I D I F#m E I D D D ...**
