Intro: D A Bm G D A G

Verse 1

D **A** **Bm**
When life gets out of place
 G **D**
And my world's turned upside down
A **Bm**
I find I'm face to face
 G **Em**
With all this pain and doubt

Pre-Chorus

A
This was not my plan
 G
How I dreamed things would be
 Asus
But You hold me in Your hand and
You remind me

Chorus

D **A/C#**
You are in control
 Bm
You have planned my way
 G
You have all the answers
A **D**
And You'll never change
 A/C#
You know what is best
 Bm
You know the why and how
 G
And I know that You love me
A **G Bm A**
So I can trust You now
 G Bm A
Trust You now

Verse 2

When questions fill my mind
About what lies ahead
I wait for Your reply
with patience wearing thin

Pre-Chorus

But I know you have a plan
To work things for the good
You hold me in your hand and I'm reminded

Chorus

Bridge

Em7
Please take my hand and guide me
D/F#
When things just don't seem clear
G2
'Cause the place where You are standing
D/F#
Has a better view than here
Em7
Truly in the end
D/F#
I only want Your will not mine
G2 **D/F#**
Your ways are higher,
 Em7 D C
You work all things in Your time

Chorus
